

2022-2023 Section 98c

District Plan of Use

- District has been focused on reading achievement in 3rd grade and the implementation of “Read by Grade 3 Legislation” (RBG3)
- Funds will be used to support additional staff to avoid split classes in Grade 3, as possible, as well as potential supplemental instructional materials to support reading instruction and accelerate learning (AREA: Implement evidence based practices)
- Additional funds will be used to support supplemental before, after, and/or lunchtime tutoring and instructional services based on needs identified by schools.
- Results will be measured by local progress assessments, DRA results, M-Step scores and retention data
