Dear WCS Community,

Afterschool today, several Carleton Middle School students reported to their coach that a former student told them he planned to shoot someone at school tomorrow. The students saw this former student at a local restaurant, and he was not on campus.

The Sterling Heights Police interviewed the students who reported the information, and they are investigating the report, which we do not believe to be credible. However, out of an abundance caution for our students and staff, there will be a police presence at school tomorrow.

If you have any questions, please contact the school.

Sincerely,

Robert D. Livernois, Ph.D.
Superintendent
