Dear Parents & Guardians,

Last night at 7:45pm in front of Pearl Lean Elementary, a Warren Mott High School student confronted two Lean students and showed them a BB gun in his waistband, reportedly to intimidate them in response to a previous dispute involving a family member.

The Lean students did the right thing and shared the information with an adult, which allowed the administration at Warren Mott to bring the student in for questioning today. With the support of the Warren Police Department, the student's home was searched, and the BB gun was found without any incident.

Parents, if your child has any kind of airsoft or BB gun or any kind of weapon that looks real, sit down with them tonight and help them understand that using it to intimidate or threaten someone is just as serious as having a real weapon. Most important, as with this case, the consequences are severe.

If you have any questions, please contact your child's school.

Sincerely,

Robert D. Livernois, Ph.D.
Superintendent
