Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Warren Consolidated Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Jamie Elkouri for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following website <https://tinyurl.com/WCS-District-AER>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

School Accountability Data

- Includes information on schools' performance on various measures such as student proficiency and growth on state assessments, graduation, and attendance rates. Performance is measured on 0-100 index scales
- Reports schools identified under three federally required categories for further support: Comprehensive Support and Improvement, Targeted Support and Improvement, and Additional Targeted Support

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

Warren Consolidated Schools is an equal opportunity employer.
Auxiliary aids and services are available upon request to individuals with disabilities.

National Exemplary Schools

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate, and safety

Review the table below listing our schools. For the 2024-25 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Beer Middle School	No Label	
Black Elementary School	No Label	
Career Preparation Center	No Label	
Carleton Middle School	No Label	
Carter Middle School	No Label	
Community High School	CSI	Community High School will strengthen researched-based Tier 1 instructional practices, which support meaningful and aligned college and career standards based on curriculum. Community High School will strengthen a tiered academic support system for struggling students. Community High School will continue to build a positive school community.
Cousino High School	No Label	
Cromie Elementary School	No Label	
Green Acres Elementary School	No Label	
Grissom Middle School	No Label	
Harwood Elementary School	No Label	
Holden Elementary School	No Label	
Jefferson Elementary School	No Label	
Lean Elementary School	No Label	
Macomb Math Science Technology Center	No Label

National Exemplary Schools

Middle School Mathematics Science Technology Center	No Label	
Siersma Elementary School	No Label	
Sterling Heights High School	No Label	
Susick Elementary School	No Label	
Warren Mott High School	No Label	
Wilde Elementary School	No Label	
Wilkerson Elementary School	No Label	
Willow Woods Elementary School	No Label	

Our school and district improvement plans are revised through a continuous, comprehensive, and collaborative analysis of school and district data. These plans are built on solid research-based instructional strategies that will produce results. We remain excited about the District Improvement Plan that focuses on establishing a Guaranteed and Viable Curriculum across all content areas PK-12; Quality Literacy and Mathematics instruction; Professional Learning Communities; Multi-tiered Systems of Support; and Building Positive Communities. Specifically, our schools and the district will continue the implementation of the following initiatives that we believe will accelerate achievement and close gaps:

- Developing, implementing, and refining a multi-tiered system of support to assist all students.
- Implementing research-based professional learning aligned to our needs assessment supporting quality instruction.
- Providing monthly time for teacher collaboration (PLCs).
- Supporting activities which promote positive school communities.

We appreciate your commitment to your children’s education and to Warren Consolidated Schools. Thanks to our community, great things are happening in our schools. We look forward to working with you to increase student achievement in all our schools.

Sincerely,

John Bernia, Ph.D.
Superintendent
